About the CHB Fall Show

Canadian Heritage Breeds Association has been hosting poultry shows since 2010, with the Annual Fall Show being the highlight each year. 2017 is gearing up to be bigger and better than last year with added features and activities. Since this will be our second year at Lacombe's historical Sales Pavilion we're using what we learned in 2016 to make some changes and ensure we're making the best use of available space.

For the exhibitors, there's a more streamlined entry process. Both pigeon and poultry/egg entries can be completed using the online form built into the CHB website. However, if you are showing both pigeons and poultry, please use separate forms for each. Fees can also be paid quickly and easily online using the Paypal link provided. If you prefer to jot down your entries on paper, that's fine too. Print out the form included with this newsletter, fill it out and email (or snail mail) as directed on the form. **Remember, entries must be received by October 25th.** Late entries are subject to a 50 cent per entry surcharge.

The CHB Show Committee is also working hard to create an event that appeals to the whole family and draws visitors from the surrounding communities. While some of us are happy to look at birds all day, sometimes our spouses and kids need a bit more to keep them entertained! A favourite attraction will be the display of friendly heritage farm animals. There will also be an area set up for the children with activity sheets and colouring pages to help them stay busy. For those who enjoy antiques, the LA Vintage Machinery Club and Farm Museum is located right on the Ag Grounds, and will be open for viewing.

As always, there will be ribbons, trophies and cash prizes up for grabs, as well as some additional special awards. Feed will be provided, and parking is free. As an exhibitor, we know these little extras add value to your show experience and we hope it will keep you all coming back year after year!

CANADIAN HERITAGE BREEDS

2017 CHB Annual General Meeting

When: Friday, November 3, 2017 @ 6:30PM

Where: Lacombe Ag Grounds, 4200 58th Street Lacombe, AB, Show Barn Classroom

As has been CHB's custom, the AGM will be held in conjunction with the Annual Fall Show. The AGM will include elections for the CHB Board positions of Treasurer and Director. Nominations for this position in advance of the meeting can be emailed to canadianheritagebreeds@gmail.com and will also be accepted during the AGM.

Each year the Board of Directors of CHB strives to focus on events and activities that align closely with CHB's mission and are of the highest value to our members. Your ideas, support and involvement as a member of CHB are key so please join us at the AGM and help shape CHB's future!

Breed Meets at the CHB Fall Show

These breed associations have placed meets at the CHB show:

Belgian d'Uccle and Booted Bantam Club, American Sussex Association, Cochins International, plus:

Chantecler Fanciers International: National Meet

Chantecler Fanciers International was formed in the fall of 2007 to promote this deserving and under-represented breed by encouraging communication, fellowship, exhibition, and networking. If you are a breeder of Chanteclers, we hope to see you and your birds at the CFI Canadian National meet, where CFI members will be eligible for some special prizes! If you haven't already joined, please consider becoming a member of this active and supportive club. For more, [visit the CFI Website](#).

Marans Regional Meet 2017

The Marans Chicken Club USA will be holding the first ever regional meet in Alberta at the CHB fall show, including the first ever Marans egg show! If you are a breeder of Marans, please consider showing your birds and/or eggs. If you have any questions please contact Yvette Franklin: 403-585-3992 or by email ylku31@gmail.com.

The Utility Class

The Utility Class is back for this year's Annual Show. The purpose of this class is to showcase birds that exhibit exceptional productive traits, and exemplify the statement 'standard type is productive type.'

This class is open to all large chickens, ducks, geese, and turkeys. All birds entered should be good representatives of their breed and be free from disqualifications as laid out in the APA Standard of Perfection. No hybrid birds will be accepted. Breeds will be judged on the productive characteristics for which their breed is known. Eg, Leghorns will be judged on egg laying capacity, Cornish on meat production and Plymouth Rocks on a combination of the two.

This class is open to all exhibitors, and will be run in parallel to the open and junior shows. All birds entered in the utility class must also be entered in the open or junior show. There will be cash prizes for champion and reserve utility birds!

Hope to see lots of productive birds entered!

CHB wishes to acknowledge and thank our show sponsors!

Your support of these businesses is appreciated!

Thank you to our main sponsor, Peavey Mart for the ongoing financial contribution which makes it possible for CHB to host the Annual Fall Show, and continue the important work of heritage breed education and conservation.

Thank you to Bashaw Sports Centre for sponsoring the 2017 CHB Youth Mentorship program.
